Bingo at Elks Club Fundraiser: Scott reported that the person who runs the bingo at the Elks Club is still working on her end to have in April to help support this committee's efforts. She will update Scott at some point.

Ralph and Jo's Reopening and Expansion Celebration: Bob reported that he has been in contact with the owners of Ralph and Jo's. They are open to the idea of a 50/50 Raffle during their grand opening targeted for March. The owners are fine with inside or outside depending on the weather. Bob is still working out the logistics with the owners on this fundraising idea.

MONEY/PRIZE CALENDAR for the month of April: Everyone updated on how they are moving along with their list of donors. Robin, Tam, Bob, Scott and Andrea are all working diligently to fill the April money/prize calendar. Robin has been given the task to design the calendar. 250 calendars are to be produced (colors blue and gold). Sale price \$5.00 each. Andrea will contact WFTN/Fred to arrange for the radio station to draw and announce winners weekly. She will present the calendar to the school board at their March meeting. Advertising for this event should be on social media and school website. Give all prizes to Scott and entries will show how much we have, do we need more, where to place the prizes on the calendar with larger prizes on the 1st and 15th (middle of the month) and last day, and send thank you letters to sponsors. Scott has the master list of the vendors and committee members to keep him updated. School board members will get 10 calendars each to sell, and committee members will also need to sell.
