

A PUBLICATION OF SCHOOL ADMINISTRATIVE UNIT 18 – FRANKLIN

Three Rivers News

As of January, 2019, the Three Rivers News will become an online newsletter only. In an effort to save money, a printed version will no longer be available as we have many leftover copies each month. You can view the newsletter by the last Thursday of each month on our website at www.sau18.org (see screenshot below where it says “CLICK HERE”).

If you have any questions, feel free to call Jan Andrus at 603-671-1255 (option 1) or email at jandrus@sau18.org.

Thank you for your patronage.

Welcome to SAU 18

Educating today's students for tomorrow's world

Vision

The Franklin Public Schools, in partnership with the community, will inspire and empower students to achieve high levels of academic success, wellness, and resiliency which empower students to become adults who embrace diversity, act responsibly, and make positive contributions to society.

Mission

The Franklin Public Schools will align and maximize resources as a foundation to provide a high quality, personalized education where students are encouraged and challenged to set goals and persevere in preparation for success in a diverse society.
