

PSS Tardy Procedure

2014-15

It is very important that students miss as little school time as possible. Even small amounts of time can hamper students from learning what they need to know. Being tardy to school not only affects the late student but interrupts the learning environment in the classroom. The teacher has to stop what they are doing and instruct the child on what they need to do. It also distracts the other students. Classes start at 8:30 AM. Any student who arrives at school after this time unexcused will be subject to the following consequences:

0-4 tardies	None
5-9 tardies	Make up time during recess
10-up	Make up time after school (parent is responsible for transporting home)

Excused tardies are those that are also listed as reasons for excused absences in the handbook.
