

September 15, 2018

Dear Parent(s) & Guardian(s),

How quickly the beginning of the new school year is moving forward! Our first full week of school has gone very well. The students appear to be adjusting to the routines of their day. Relationships are being built and smiles abound!

Thank you to all parents who are adhering to the rules associated with morning drop off. It is essential that as you enter the loop vehicles move forward in the line and that all children exit the vehicle on the passenger side of the car. A special thank you to everyone who is helping us keep our children safe!

Some grade levels are beginning to include daily homework. Homework is an opportunity to see what your child is learning in class. Homework assigned provides your child with an opportunity to practice skills and concepts learned in class. It is also a time to read with a family member and practice spelling words. If you have any questions regarding your child's homework, please speak with your child's teacher.

Our School Store is open! Kindergarten students can purchase items on Wednesday morning. The store is open on Thursday morning for students in the 1-2 wing and students in the 2-3 wing can purchase items from the store on Friday morning. Please note that students are limited in their purchase to \$2.00.

Please help us by helping your child get to school on time! Attendance is essential to a child's ability to learn. At this time, we have a number of students who have been absent from school on numerous occasions. Unless your child is sick, please make sure your child is in school!

Some important dates to mark on your calendar:

- Our PTA Cherrydale fundraising event will begin September 18th.
- Picture Day at PSS is September 28th.
- September 29th is an Early Release Day for students. Students will be released at 12:45 PM.
- The Franklin Area Lions Vision Screening will be held October 2nd.
- Open House at PSS is October 18th from 5-6:30 PM

Have a lovely weekend!

Sue Blair
Principal
