Dear Parents/Guardians,

We want to hear what your child thinks of our school climate. This spring, Franklin School District students in grades 3-12 will be participating in the School Climate Survey, an *anonymous* survey of students, families, and staff. Your student's responses will help us improve student relationships, learning conditions, and the school environment.

Survey questions are posted on the Franklin School District Website, under the Information Tab website if you would like to review them ([http://www.franklin.k12.nh.us/fsd\\_information.cfm](http://www.franklin.k12.nh.us/fsd_information.cfm)).

The survey will be given to students online during school hours with the help of your child's teacher. Your child's responses will be anonymous. **Please return the permission, below, to allow us to administer the survey.**

We also ask that you complete a Family version of the survey, as your input is important. You can do this in one of two ways:

1. Complete online, through one of the links below; if you have a child in more than one school please answer one survey for each:

Franklin High School <https://tinyurl.com/FranklinHS-Family>

Franklin Middle School <https://tinyurl.com/FranklinMS-Family>

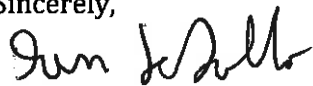

Paul Smith School <https://tinyurl.com/PaulSmith-Family>

2. Request a paper version be sent home to you, through your child(ren)'s teacher.

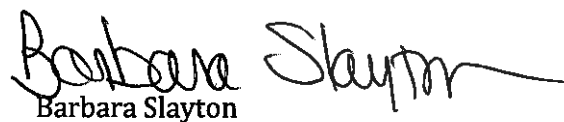

We appreciate both you and your child taking the time to participate in this survey. We hope to have these completed by the end of April 2018.

Please do not hesitate to contact either of us if you have any questions.

Sincerely,

Dan LeGallo
