Dear Parents and Guardians,

The time has come for your student to have his or her senior pictures done for yearbook.

Feel free to go to an independent professional photographer if you'd like, just make sure they are made aware of our deadline for receiving pictures Friday October 26th, 2018 . Usually there is a 6-8 week time period for pictures and proofs so please do not wait until last minute to have pictures taken they will not be back in time!

Senior write-up's and senior pictures (1 formal and 1 informal), and baby pictures are due to Ms. Becker before or on Friday, October 26, 2018. The yearbook staff is not responsible if your child's pictures, or write-up are not in on October 26th which will result in your child not being in the senior picture section. All three must be in by the above date. It is not Ms. Becker's job to make sure your photographer sends her your formal and informal pictures. You must submit your three pictures (formal and informal), a baby picture, and your senior write up to Ms. Becker in email from the school network to be in the regular senior section! We will not be accepting couple pictures for informal pictures. See the back of this sheet for complete guidelines.

The Picture Criteria is a follows:

Pictures: Pictures can be submitted in color. We have been doing the yearbook in color and hope to continue again this year providing we fundraise enough. You may submit black and white photos, just note that they will not be exchange them at a later date for color pictures. Color pictures still reproduce in good quality in black and white. All pictures need to be vertical, not horizontal in style; for example if you have a photo taken while you are on your side, half of your body will not be allowed in the space. Pictures can be submitted in hardcopy form or in digital for as long as the photo is in high resolution of 600 or higher.

One additional note, it is not the yearbook staff's or Ms. Beckers's responsibility to make sure your photographer send her your senior's pictures. Your senior needs to be the one who follows through on this task.

**Ms. Becker will not be accepting senior items late. Your senior must have the following: write-ups, and the three pictures(formal, informal, baby) to be in the regular senior section. Failure to make the deadline 10/26/18 will result in one photo being on the last page of the senior section.**
